Scott Hime

Fellow Harbor Dr.  
south until you  
reach this sign and  
park in the parking  
lot on the right. I  
will meet you in  
the parking lot.

I always arrive a few minutes early and have my camera  
set up on a tripod beside my car, I should be easy to spot.

You do not need to be early, as we have set the time of  
your session for the best natural light. You, of course, do  
not want to be late either, as the sun waits for no one.

Meet in the Beach Access parking lot!

Do not go on out to the beach.
