Scott Hime

From 41 in Nokomis  
take Albee Rd W  
across the bridge and  
turn south on S. Casey  
Key road. Drive until  
it deadends at the  
North Jetties Fish  
camp sign. I will meet  
you near the sign.

I always arrive a few minutes early and have my camera  
set up on a tripod beside my car, I should be easy to spot.  
You do not need to be early, as we have set the time of  
your session for the best natural light. You, of course, do  
not want to be late either, as the sun waits for no one.

Meet in the Beach Access parking lot!

Do not go on out to the beach.
