Please do not trust the answering machines,
as I will not get the message until the next business day!

Scott Hime

Fellow Beach Road, looking for the small turquoise and white beach access signs. Park in the Beach Access parking lot. I will meet you in the parking lot.

I always arrive a few minutes early and have my camera set up on a tripod beside my car, I should be easy to spot. You do not need to be early, as we have set the time of your session for the best natural light. You, of course, do not want to be late either, as the sun waits for no one.

Meet in the Beach Access parking lot!

Do not go on out to the beach.
